Front

Rear

1. Locate the front of the mounting plate as indicated by the yellow circle to the right.
2. Slip the groove of the mounting plate around the white plastic knob. See picture above (yellow circle).
3. The threaded screw located at the rear of the mounting plate will line up with the "U" shaped housing located on the rear of the Director Series Unit. See picture above (blue circle).
4. After mounting the Printer, be sure to push the printer all the way forward then use the Thumbscrew to secure the printer to the Director Series Unit.
5. To wire your printer to the Director Series Unit, please follow the wiring diagram to the right.
